

CBSE WORKSHEET BOOKS

(For Classes 6th to 10th)

Our CBSE Worksheet Books are Unique and Powerful that follows strictly NCERT/CBSE Syllabus and makes the subject not only easy but also interesting. These Worksheet Books aims at providing the right foundation and Practice to the students so as to build a strong base and command over concepts.

An easy Synopsis have been presented in such a manner that even an average student also enjoys studying and practicing it. Concepts are explained in a well structured and lucid manner using simple language and Mind Maps.

The Objective is to gradually uplift the thinking ability of the student to a level where he can logically discover solutions to different problems on his own. These books will definitely help the Students in building a strong foundation of the Concepts and takes them steps higher for their future endeavours to success.

Practice Sheets of these Books consists of different types of Questions like :

- > Single Answer Questions
- > Statement Type Questions
- > Paragraph Questions
- > Multi Answer Questions
- > Match the Following
- > Descriptive Questions includes very short answer, short answer, long answer and 'HOTS' type of questions.

These questions will help students to develop the necessary application and problem solving skills. The content of these books has been developed keeping in mind the various national level competitive examinations.

We will continue in our efforts to make studies interesting and engaging for your Students, and that's our Commitment.
...Team Mercury

OBJECTIVES OF OUR IIT AND NEET FOUNDATION COURSES:

The objective of our Foundation courses is to make the students understand and sharpen the basic concepts in the subjects of Mathematics, Physics, Chemistry & Biology. This program will encourage school goes to look beyond textbooks for learning. These IIT and NEET Foundation programs will not only help children understand and sharpen in regular school classes but also will help them to develop the shrewdness and give them a typical edge evaluation to the rest of their peer groups like Olympiads.

IIT & NEET FOUNDATION (ALL IN ONE)
